Do you know about our SLA Support Fee?

It consists of the use of bucket hours or a fixed cost support. This monthly fee allows us to offer the following services:

Bucket Hours

Are monthly allocation of hours provided to supply support services in terms of the service agreement.

- ✓ Unused bucket hours will roll over for a period of three calendar months, 50% of the unused bucket hours remaining after the three months roll over will be applied to Change requests as agreed between both parties.
- ✓ Should bucket hours be depleted, work will be quoted for at a rate per hour.

Fixed Cost

Westrocon provides SAP Business ByDesign fixed cost Support under the following terms:

- ✓ SAP Operational Support will be delivered across the full functionality of SAP Business ByDesign implemented and will cover all key business processes.
- ✓ The support contract will be reviewed every 12 months and an inflationary escalation on SAP ByD support rates will be considered for following contract periods.
- ✓ Increases will be discussed and communicated close to contract renewal.
